

CANINE COMPRESSIVE CRYOTHERAPY BRACE

Benefits of cryotherapy:

- Analgesic effect
- Anti-edematous effect
- Antihemorrhagic effect

Pets'NOV braces combine the benefits of cryotherapy and static compression, which increases the effectiveness of cold tenfold. They are therefore an extremely effective aid to rehabilitation.

Size S
Ref: VET20-AC-S
EAN: 3 770 011 902 644
Dog weight: 15-25 kg

Size M
Ref: VET20-AC-M
EAN: 3 770 011 902 651
Dog weight: 25-35 kg

Size L
Ref: VET20-AC-L
EAN: 3 770 011 902 668
Dog weight: >35 kg

INDICATIONS
